

Yorkshire & Humberside ROM - Quarter 4 Ratings for Contracted Prisons

Criteria for rating establishments

Performance rating 4: Exceptionally high performing, consistently meeting or exceeding targets, no significant operating problems, achieving significantly more than similar establishments with similar resources.

Performance rating 3: Meeting the majority of targets, experiencing no significant problems in doing so, delivering a reasonable and decent regime.

Performance rating 2: Basically stable, secure and providing decent but limited regimes; experiencing significant problems in meeting targets and/or experiencing major operational problems.

Performance rating 1: Failing to provide secure, ordered, or decent regimes and/or significant shortfalls against the majority of targets.

Note: Contracted prison ratings have been applied by ROM, based on the same criteria as used by the public sector Prison Service.

Wolds	3	3	3	3

Doncaster

We are very pleased with current performance, especially in light of recent population pressures and the volume of churn they have experienced. However, we would like to see a more sustained performance on assaults, C&R training and security breaches which attract penalty points. Because of this we propose that Doncaster remain at level 3 this time.

Wolds

Whilst continuing to achieve most targets and deliver a generally safe and decent environment, the provision of a full and purposeful regime is still to be realized, or taken forward with any significant determination. Therefore we recommend Wolds remain at level 3.

Ratings in Q4 have remained the same compared to the quarter 3, 2 and 1.
